To the Class of 2001,

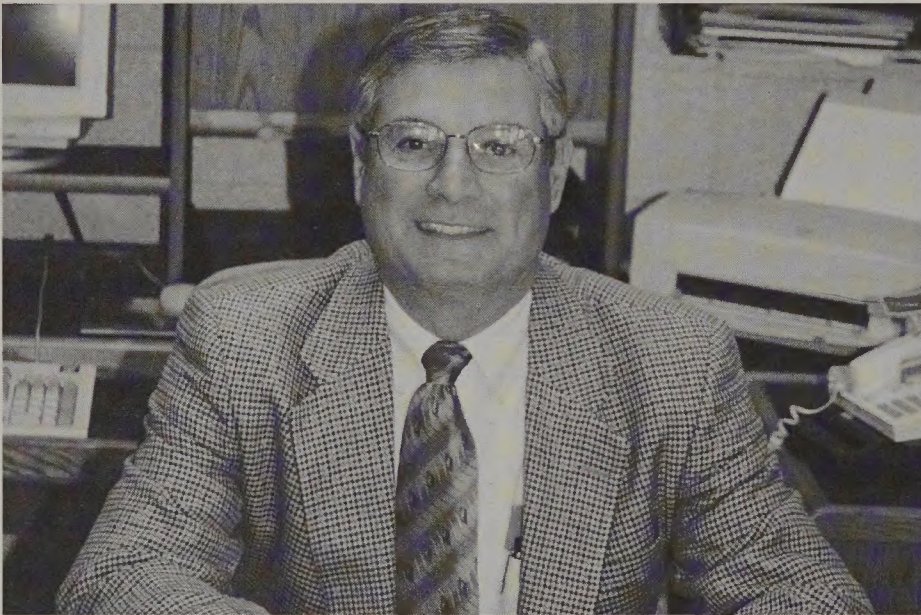

Congratulations! You have reached an important milestone in your lives. As you graduate from Joseph Case High School, each of you is embarking on a great adventure! No one truly knows where they are going; who they will be traveling through life with; what challenges and successes life has in store for you; nor, why you will be making some of the choices you are going to make. If these thoughts cause you to worry a bit, please relax. You are not alone. For as Charles F. Kettering once observed, "We all are concerned about the future because we have to spend the rest of our lives there."

While you may only derive a small amount of comfort knowing we all are concerned about the future, you can take greater comfort knowing you have graduated from Case High School. As a graduate, you were provided with a sound education by caring, knowledgeable teachers. Mr. Santos and the many fine teachers at Case High and throughout the school system have worked hard to provide you with the skills, abilities, attitudes and pride needed for your successful passage through life.

The hard work of the staff of the school system has been matched and even surpassed by the great efforts you and your parents have made over the years. In addition, your friends and community have contributed to your education and your values system as you have grown to adulthood in Swansea. This combination of family, friends, community and school have provided you with an education and life of learning. I believe the richness of this combination of experiences will serve you well in your future, for in the words of Plato, "The direction in which education starts one, determines their future life."

As I close, I again congratulate each of you for your success in becoming a graduate of Joseph Case High School and wish you great success in your future endeavors!

Sincerely,  
Kenneth J. Grew, Ph.D.  
Superintendent of Schools

To The Class of 2001:

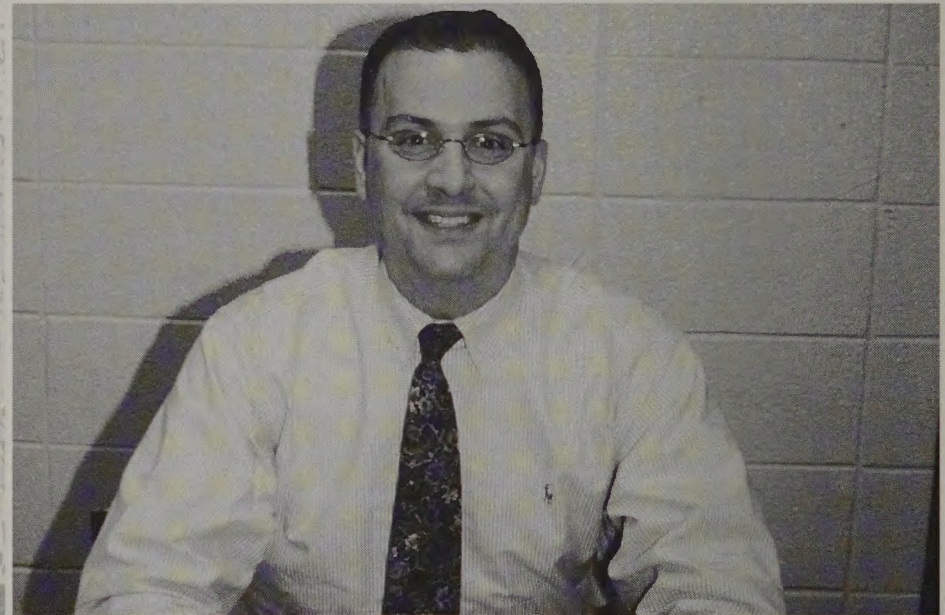

Where have the years gone? When you entered Joseph Case High School four years ago, I remember telling you that the next four years would go by quickly and that they would be some of the best four years of your life.

At the start of this year, I mentioned that your senior year would fly by and that one of the most important things you would learn this year is time management. Stress levels always run high in your final year, you have met the deadlines, taken the exams, balanced sports, drama, music and work. Now you are ready for graduation; you have made it!

At the last senior assembly and at the graduation practices, I have shared your sadness. You are leaving the comfort of a school that cares. Your faculty and administration will miss you. We have done our best to prepare you for the new millennium and we are proud of you and your accomplishments.

I wish you all the best in the future and I hope you will stop by and say hello from time to time. Always remember you can come home again to Case High School.

Sincerely Yours,  
Joseph D. Santos,  
Principal

To the Class of 2001:

At the beginning of your tenth grade year at Joseph Case High School, I told about 100 of your classmates to approach sophomore year in English with a watchcry. Author Miller wrote this for his Pulitzer Prize-winning drama *Death of a Salesman*: "The jungle is dark, but full of diamonds."

I hope your Case High years have been blessed with knowledge, friendship, victory and laughter. Most of all, I wish that you leave here with the skills to be lifelong learners, compassionate adults, and strong role models for tomorrow's Case grads.

Hard work will pay off one day. Strive for a "center stage" position, but realize that this sometimes comes after working years in the chorus and in smaller roles. Stay focused, challenged, and noncomplaisant with mediocrity.

You never know what opportunities are just ahead of you. Look at my transition from teacher to assistant principal. Who would have thought at the beginning of your sophomore year that this journey would take place?

In retrospect what an extended metaphor Miller's statement has become for your entire high school experience!

My best to you as you begin again,

Brian McCann  
Assistant Principal

P.S. Most importantly, don't confuse holding a spoon with riding a mini-bike. There is a difference.

We, the Class of 2001, dedicate our yearbook to Mr. Martin Jaworek. He is an intelligent, compassionate, and dedicated teacher who always puts everyone else's problems ahead of his. He has never said no to anyone and always gives everything his best shot.

Mr. J gives everyone he comes in contact with the utmost respect. He spends countless hours fixing the many problems that occur with our cars, meanwhile teaching us everything he knows. He listens to all of his students suggestions and always offers his best advice. There is never a dull moment spent in his power technology shop. He always keeps everyone busy and no one disrespects him. We consider him not just a role model, but also a friend. We, the Class of 2001, thank Mr. Martin Jaworek for his endless dedication to the students at Case High!

Mr. J,  
For the last two years, your class has been the only class I looked forward to. You have spent countless hours during (and even after) school when you didn't have to, just to help us. I wish you good luck and good health in whatever you do."

Carlos Silva

Mr. J,  
"Thank you for the time you have spent helping me, and the knowledge I have gained through the countless hours in shop. And to answer your question, yes, I am having fun. I wish you the best of luck in the future and good health. Thanks for all you have done for me and this school."

Grant Hajder

Mr. J,  
"You have been (most days) the only reason school is worth going to. Everything I learned about automobiles, I learned from you! Thank you for everything. I wish you good luck in the future!"

Erik Carver

"Mista Mista" J,  
"The past couple of years you have been my savior in this school. I wish you good luck and good health in whatever you do. Thanks for everything."

Steve Higginbottom

Mr. J,  
"Thanks for everything you have done. You showed us how to have the patience and understanding to accomplish what has to be done. Best of luck to you in the future. We will use what you have taught us for the rest of our lives."

Jon Shannon

Mr. J,  
"I deeply appreciate all that you have done for me. Your class is the only one I've ever had that I actually look forward to day in and day out. Best of luck to you and thanks for everything."

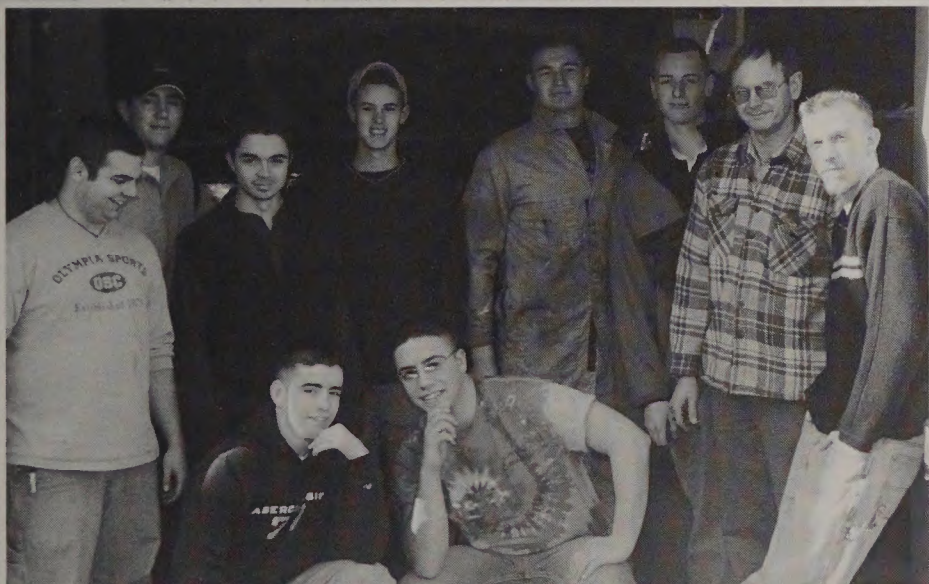

Dan Lambert

Mr. J,  
"The last few years have been great. You taught me so much. I have to say that everyday I looked forward to having your class. I wish you good luck in the future!"

Brett Medeiros

Mr. J,  
"How can I thank you enough? You have always been someone I could count on for advice or a favor. No matter how big the problem or job I had to finish you were right there helping me until the job was done. Thank you for everything and I wish you the best of luck in the future. You will not soon be forgotten."

Justin Robidoux

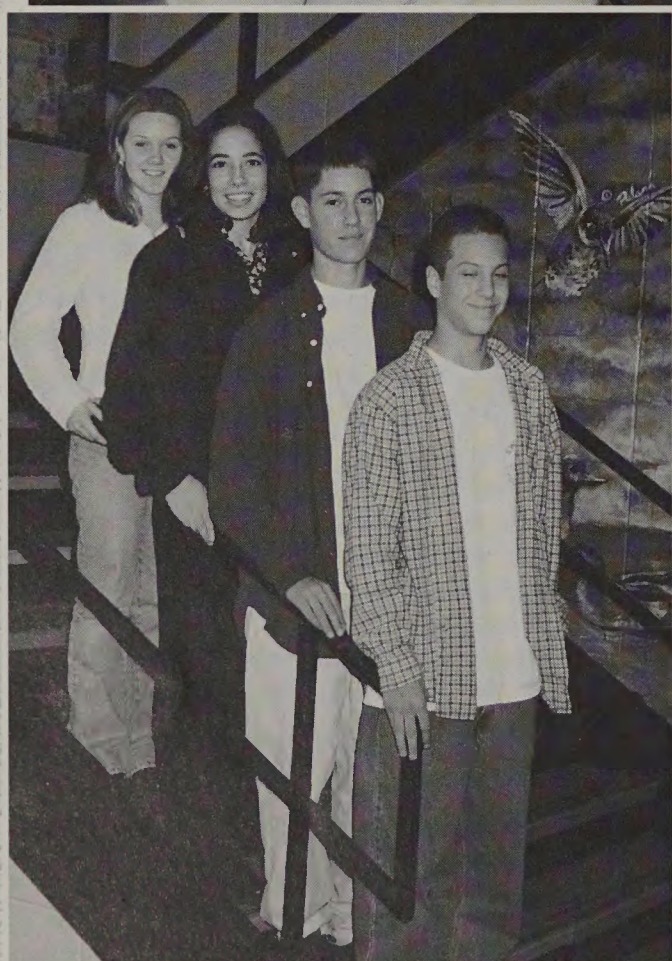

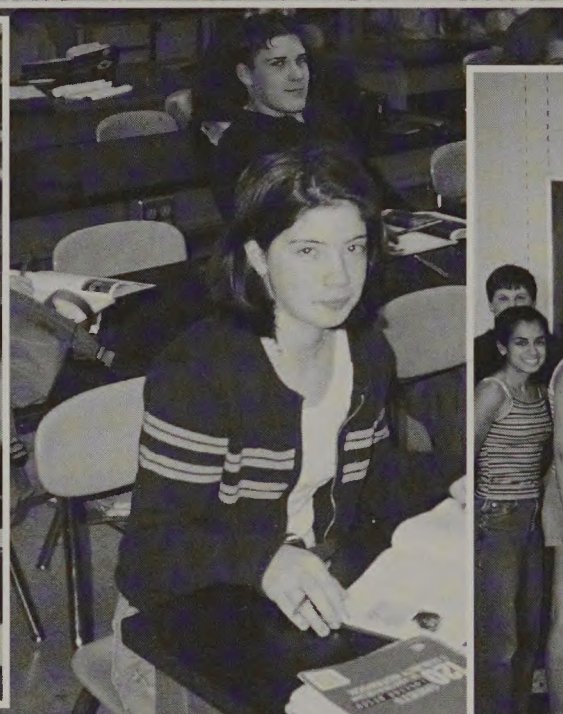

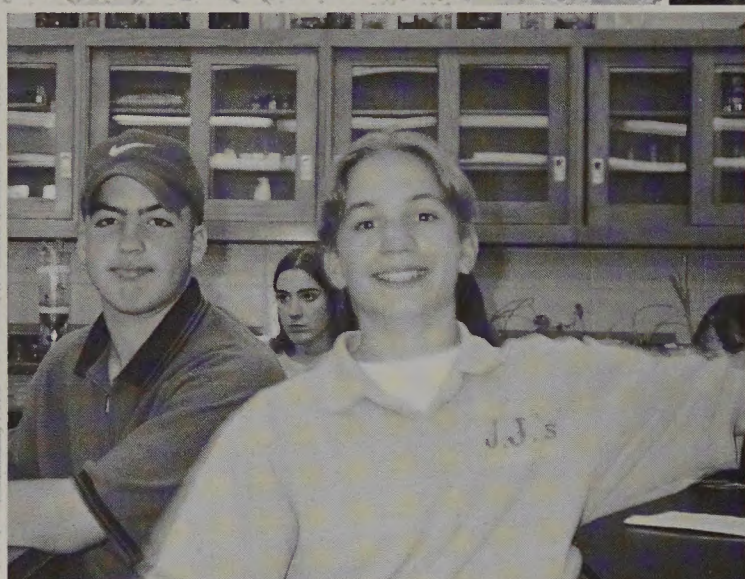

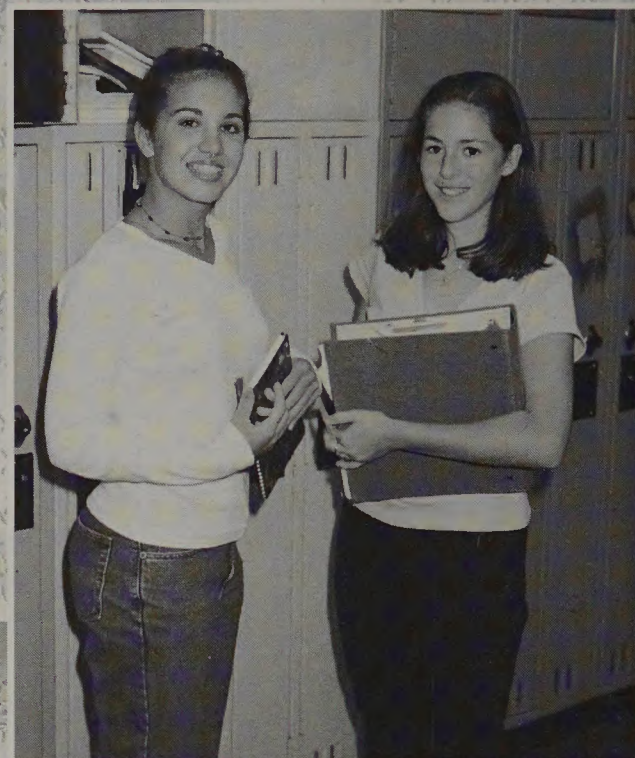

# Class History

## Freshman Year

We step off the bus and walk into the doors of the building that will be our home for the next 4 years. Little do we know this is the place where we will have countless unforgettable memories and get to know those friends we could never have lived without. We agonize that we are unlucky enough to get a broken locker, but then we realize they are all broken. "You have to kick it," says a senior who's been there before. We come into school just in time to experience the so-called "bubble period". Who has an attention span of 90 minutes?! But we aren't the only ones adjusting to a new schedule, since teachers and upperclassmen are shifting from an 8 to a 7 period day. We elect officers: President **Jamie Rapoza**, Vice-President **Jennifer L. Medeiros**, Secretary **Megan Goss** and Treasurer **Jeff St. Yves**. As we mourn their deaths, we remember the impact international legends Princess Diana and Mother Theresa had on the world. We get released early one day from school because of a mysterious chemical smell coming from down the street that had entered our vents. Mrs. Lucca teaches us how to use a card catalog and the importance of "Library Skills." Mr. Vogler takes us to New York City just before Christmas and we see the Rockettes and go shopping. The girls' Cross-Country team is SCC champs and Drama makes it to the State Competition with their production of "Strider." In April, many of us travel to Virginia to participate in the National Chorus Competition. We start to feel like we know what we're doing (well, we don't get lost anymore) and learn that we can still get away "Oops, I thought I had first lunch" since we're still freshmen. But not for long...

## Sophomore Year

No longer the babies of the school, we can now laugh at the new freshmen struggling to get their lockers open. Mr. McCann whips us into shape as people are seen sprinting down the hall to avoid being late. **Steph Lucca** becomes Secretary, **Megan Goss** becomes Vice-President and **Dan Zolnierz** becomes our President, a position he will hold through senior year. Mr. Gibeau has an incident with a random pig, after a battle of pennies. The girls' Soccer team makes the tournament for the first time ever, and the 49er's trophy returns to Case after a hard-fought win against Somerset, 17-16, in the pouring rain. We have our first Dog Drug Search, but are proud to discover that nothing was found. We are the guinea pigs for the MCAS and get to take them for fun (well, it's better than being in class) because they will have no effect on our graduating high school (we sympathize for Class of 2003). The tragedy at Columbine High School leaves us all shocked, but the situation is handled well at Case. Drama makes it to the States again with their production of "The Heiress" and everyone has an opinion on Monica Lewinsky and President Clinton. The Maguire-Sosa battle has more than just baseball fans captivated by homerun after homerun, but Maguire squeaks it out in the end.....Speaking of end, we reach the end of our sophomore year and realize that high school is half over...will we make it through 2 more years?

# The Class of 2001!

## Junior Year

We enter Junior Year, claiming we have "Senioritis" already. **Laura Carreiro** is voted Vice-President, **Jess Sugal** is now Treasurer and **Jen L. Medeiros** is again Secretary. The Cross-Country and Winter Track teams do not run this year because of lack of interest and the 49er trophy is returned to Somerset High School (little did we know it would make revenge that much sweeter!). The Junior-Senior semi allows us to have our first experience with the Breathalyzer and we learn you shouldn't use mouthwash right before the dance if you want to pass! We take PSAT's in the fall and get a little taste of what the SAT's will be like (minus the pressure!). Many of us are receiving our licenses, but the new driving laws (attempt to) prevent us from driving with friends for the first 6 months. The year 2000 comes flawlessly, and Mr. Santos ends the "Chicken Nugget Day Stampede" by instilling a "no running in the hallways" policy. **Wayne Homol** receives the Athlete of the Year Award because of his MVP awards for football, hockey, and spring track. Many members of the Drama Company travel to England with Mr. Marcello and Mrs. White in April, and Mediterranean Club members travel to Europe with Mrs. Morrow during the summer. We host the prom at the Venus de Milo, and turn the gym into a beautiful "Starry Night" for the afterprom. Soon we'll be ruling the school.....

## Senior Year

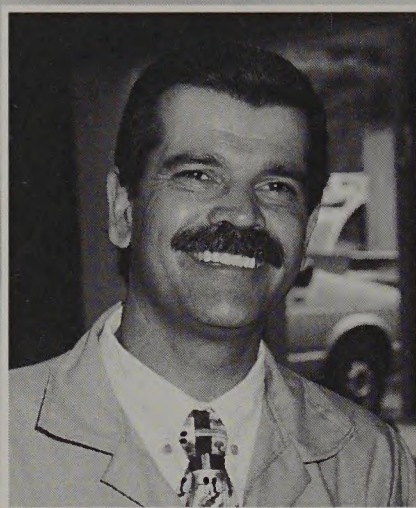

Our last year in high school already? Where did the time go? It seems each year the friendships grow fonder and time slips by quicker. But this is the year we've been waiting for, waiting for those "senior moments", waiting to be able to say, "I'm a senior. I don't need a pass. I'm a senior. I don't need to do work." Teachers tell us they've never seen a senior class with such premature senioritis, but we love it! However, it's not all fun and games when it's time to take SAT's, fill out applications and worry about all that college "stuff." But Mr. Eddy calms us by telling us to not worry about the answers, but just to "know the right questions." Ms. Stanton leaves her position as Vice-Principal at the high school to become Principal at Case Jr. High and Mr. McCann becomes our new Vice-Principal. Cell phones become illegal in school and the tardy policy becomes more strictly enforced, causing us to have to wake up earlier (not an easy thing to do when you're a teenager). **Lindsay Pavao** is crowned Homecoming Queen and **Wayne Homol**, Homecoming King. The Boys' Basketball team makes the tournament for the first time in 14 years. The Drama Company celebrates its 25th anniversary, and we all complain that the police officer that directs school traffic in the morning has made us all late, and "never lets our side go." With Prom, Bay Queen, and Graduation to look forward to, we're counting down the days. We walk down the halls that we've walked down every day for 4 years, and rarely think of the closeness our class has gained, or the ways in which we've not only changed ourselves, but also changed others around us. The questions still remain. What will happen next year? Will we see our friends next year or will our friendships dwindle? What will we remember from high school? The tests? The lab reports? Or the character that we've built, and those important conversations in which you really get to know someone. It's amazing the amount of life we've packed into 4 short years. We're waiting for the day to say that we've worked hard, we've had our fun, and now we're on our way....."

# Fore!!

The Case High golf team finished the season with a 5-13 record, but that does not reflect all the hard work of a young team. We were missing five starters from last year's squad, and had only a lone senior on the roster. However, due to the unfortunate absence of the boys' soccer team this year, a few orphaned soccer players joined the golf team. These players provided a tremendous amount of enthusiasm during a difficult, rebuilding campaign. Along with supplying a fresh outlook on the game, they also progressed enough to contribute solid preformances in several matches. With a large nucleus of talent poised in return next year and the hope of a promising incoming freshmen class, the golf team is posed to once again gain a state tournament berth in 2001.

## Back In The Race!!

The girls' cross-country team had a very successful season. Although they did not have enough members to make up a qualifying team they reached many of their personal goals. All of them set personal records on not only the Case cross-country course but also on other courses as well. They competed in the Henry Chapman Memorial Race against Somerset High School and did very well. They also competed in the SCC League Meet and experienced good times. There were many good times to remember, such as the long runs in the rain and the cake fights on the bus. The girls were all very close to each other due to their small numbers, and will remain close in the future. The girls will always remember the support given to them by Mrs. Chapman and Mr. Cookson. Coach Craveiro did an incredibly exceptional job and should be recognized for his dedication to the team. Good luck to the team next year and keep running!

# Just for Kicks

The girls' soccer team had a rebuilding season this year. After losing seven seniors, the team had to adjust to playing with new players. The captains were Krystal Mateus, Katie Connors, and junior captain Julie Janson. Next season looks to be promising with Janson and sophomore All Star Beth Messier leading the way. Good luck next year to all the returning players.

# A Firm Performance

The volleyball team had a very successful season, finishing with a record of 15 - 7. The team was playing under yet another new coach, Denise Levesque. The team was made up of 7 seniors and 5 underclassmen. Although there were many outstanding individual accomplishments, we peaked as a team at the end of the season with a big win against Somerset on Senior Night. We qualified for the State Tournament and won our first round game. That matched us up against the SCC champions from Bourne High School. We played our best game of the season but it wasn't enough as Bourne ended our season.

# Case 101%

The field hockey team had an excellent season this year. Under the leadership of Coach Kelly Roy, assistant George Soares, and captains Katie Pacheco, Amanda Vasconcelos, and Dawn Keighley, we came two points shy of making tournament and surprised a lot of people with our performance. This season has undoubtedly been one of the best we've had. We'll always remember backward suicides, Kelly's heart, practice in the rain, and turning M&M's into wins. Thanks to the seniors: You've made this an unforgettable season. Good Luck to the team next year.

# Go, Fight, Win

With a lot of hard work and much enthusiasm our Cheerleaders had a very successful fall season. We were lead by senior captains Michelle Jacob, Jessica Nunes, and Rachel Ryan. The MVP Award went to Michelle. Jessica and Rachel won the Coaches Award. The MIAA Sportsmanship Award was given to senior Laura Carreiro and sophomore Rachel Martelly.

The football team experienced an up and down season this year. We started slowly losing our first two games. A win in Wareham kicked off a three game win streak for the Cardinals. After a tough loss to D.R, Case bounced back against Seekonk scoring 41 points in the first half. The Cards played well in their final home game, but came up just short against a strong Dartmouth team. During the game senior linemen Ross Thibault, Grant Hajder, and Dave Miranda led the way for Wayne Homol to set a new single season scoring record. The season ended on a high note for the Cards with a big 13 - 6 win against Somerset on Thanksgiving morning. With a lot of returning juniors the 2001 season looks promising.

# Flippin' Out

The Gymnastics team had a record breaking season led by senior Captains Lindsay Pavao and Johanna Senna. At the beginning of the season Coach Laura Murphy set a team goal of 117. We competed against Notre Dame and scored a 121.8. Our last meet of the season we scored a 129.0 which is now the new school record. Our gymnastics record this season was good enough for a third place finish. At the winter sports banquet, Freshman Kara Machado was named MVP, Freshman Stacey Houle received the Coaches Award, and Senior Lindsay Pavao received the Sportsmanship Award.

The 2000 hockey team had it's ups and downs even though their record seemed to be a down the whole season (2-18). The beginning of the season looked promising with new additions to the team such as Senior Brett Medeiros (who ended up leading the team in assists), Sophomore Jon Gosslein, Freshman Jeff Sutherland (a first time player who caught on quickly) and Freshman Goalie Derek Tavares (whose talent was much needed in keeping the Cards in many games). Senior Captain Wayne Homol and Junior Defenseman Matt Rapoza were selected to the SCC All-Star team while Sophomore Capt. Mark Pheonix and Freshman Derek Tavares were named as Honorable Mentions. Homol finished the season 2nd in the league with 37 points, while Medeiros was next on the team with 14 points. Hopefully next years team will look to improve even more and get a few more wins in 2001!

# Togetherness

To Always try your hardest and never give up, On the court or off the court never get in a rut.

Good Ol' Glen would want it that way, Everyone knows what he would say.

Talk to one another, call out the picks, Help each other out together we must stick.

Every game should be played like it's our last, Remember ladies we can't change the past.

Never underestimate the power of a girl, Even when times get tough we can take on the world.

So take this time to think it out, show everyone what your made of....

After experiencing a few lean years in our basketball program, the rebuilding process under the leadership of coach Kimball Crossley showed its first sign of success as our team qualified for the State Tournament for the first time in 14 years. Led by seniors Jeff St. Yves, Brian Cruz, and Tim Furtado, it took a dominating 72-44 win over Old Rochester in our last regular season game to earn the tournament berth. Things look bright for next year as junior starters Brian Stanko and Tim Abreu will be joined by members of our winning Junior Varsity team as they try to keep the momentum alive.

# 2001 Yearbook Staff

After countless hours of looking through pictures, cropping and tagging the ones that make the cut, and designing layouts, the yearbook has finally been completed. We've overcome the "Yearbook Ghost," who erased all our files the week of deadline and then proceeded to randomly erase profiles, and have created a book that captures the events and memories of our last 4 years at Case High School.

As editors of the yearbook, we would like to thank everyone who has made the yearbook possible, whether making layouts, tagging picture after picture, or repeatedly typing in profiles. Deadline weeks were hectic, but somehow it all got done through the teamwork that the Yearbook Staff possessed. We appreciate everyone who has contributed to making this yearbook the best one yet. We would also like to thank Mr. Noble profusely, without whom the yearbook never would have gotten done. Understanding that we wanted everything in the yearbook to be "bigger and better" than ever before, he allowed us to make many changes and try new things, telling us "it's your yearbook!" He was always there when we needed him, tolerated our severe "decision-making" problem, and was good for supplying us with an endless supply of candy!

We hope you will enjoy this very different yearbook as much as we have enjoyed putting it together!

### Stephanie-

You have brains in your head.  
You have feet in your shoes.  
You can steer yourself  
any direction you choose.  
You're on your own. And you know what you know.  
And YOU are the one who'll decide where to go....

OH! THE PLACES YOU'LL GO!

You'll be on your way!  
You'll be seeing great sights!  
You'll join the high fliers  
who soar to high heights.

May your future  
bring you all the joy  
and happiness you  
have brought me.  
Congratulations!

Love,  
Mom

From the time you were a baby you have always been a source of joy and pride to our family. Though you're not little any longer and soon you will be off experiencing life's adventures, please keep with you the memories of all those who love you. We wish you all the success and happiness you deserve.

Congratulations Tim  
We are so proud!

With Love,
